

2550 CNC Router/Engraver

VISION

ENGRAVING & ROUTING SYSTEMS

Increase Capabilities & Business Profits!

This heavy-duty router can produce accurate, repeatable, cost-effective work in considerably less time than it takes to do the same work by hand. Featuring our state-of-the-art Vision Series 3 Controller and our graphically advanced Vision Pro software, this machine is perfect for a wide variety of applications including milling, drilling, contouring, and routing.

Applications Include:

- ADA-compliant signage
- Routing out wood signs
- Cutout letters
- Control panels
- Cutting out sheets of material up to 2' x 4'
- 2 ½D and 3D signs in sign foam, wood, and more
