

Vision Engraving & Routing Systems is pleased to announce the promotion of Cliff Cabral to Application Specialist.

Cliff has been a member of the Vision family since 2011 as a corporate trainer, and has traveled all across America to train customers on how to use their Vision machines, as well as representing Vision at various tradeshow. Cliff has a great understanding of how to operate Vision equipment and a hands on approach to determining the right solution for our customers' applications.

If you get a chance, come see Cliff at our upcoming tradeshow, including the Shot Show in Las Vegas, the FASTSIGNS Vendor Show in Anaheim and the Alliance Franchise Brands Sign and Design Division in Nashville. You can also schedule your live [InstaVision](#) Demonstration with Cliff at any time.

Vision has been manufacturing a full line of computerized rotary engraving systems in Phoenix, AZ for more than 31 years. For more information, visit their website at [www.visionengravers.com](http://www.visionengravers.com) or call 888-637-1737.
